GROUP ART EXHIBITION 2025

শুভেচ্ছা বাণী

সিগনেচার স্ট্রোক নামের তরুণ শিল্পী গোষ্ঠীর প্রথম প্রদর্শনীর জন্য আমার অভিনন্দন ও আন্তরিক শুভেচ্ছা। খুবই সম্ভাবনাময় এক গোষ্ঠী। তাদের কাজে যেমন রয়েছে প্রকৃতি ও পরিবেশের প্রতি ভালোবাসা তেমনি রয়েছে মানুষ ও সমাজের প্রতি দায়বদ্ধতা। আঙ্গিক ও শৈলী বিবেচনায় কেউ কেউ শিক্ষানবিশী হলেও অনেকে নিজস্বতার স্বাক্ষর রাখতে পেরেছেন। প্রতিশ্রুতিশীল এই শিল্পী গোষ্ঠীর প্রদর্শনীর সাফল্য কামনা করি।

Among the creative works, paintings are the most importantly observing society and nature. The observation of the artists at the image exhibition is highlighted in the society. The words that cannot be said in speech or writing, canvas can be easily said through the color line.

There is a combination of two types of paintings realistic and abstract work. It's a good side. This initiative of young artists inspires artists to do new things.

I wish these artists the success.

GROUP ART EXHIBITION 2025

A Few Words

Art and the artist are inherently complementary. Through the practice of art, creativity finds its true expression. The subtle, intelligent explorations across various mediums find fulfillment through the artist and their creations.

The artist collective I would like to highlight is called Signature Stroke. The group consists of 30 members, and the exhibition features over fifty artworks. Each artist has painted in their own distinct style. The presence of both realism and semi-realism is particularly noteworthy.

In these works, I have observed narratives of humanity, society, fantasy, and touches of surrealism. This variety stems from the individuality in each artist's use of technique, composition, and color.

This exhibition marks their debut effort. It will be inaugurated on the 23rd at the Shilpaguru Safiuddin Shilpalay Gallery and will run until the 27th.

I wholeheartedly wish them every success in this exhibition. It is my sincere hope that their artistic journey continues to flourish.
