

SUNNYDALE ART CLUB

**ART EXHIBITION**

## MESSAGE

The Art Exhibition to be held on January 23, 2026 at the Shafiuddin Art Gallery, Dhamondi makes me immensely happy.

To foster extra and co-curricular activities, many events take place at Sunnydale of which the Art Exhibition especially finds itself in a priority list by the Organizers.

Themes are chosen by the organizers aligning it with the current trends resonating in the hearts of the art lovers reflecting improvisations, innovations and

activism, so that a robust future awaits us.

In order to encourage participation by the audience, engagement is necessary incorporating interactive elements, and interesting activities or events.

The venue at Shafiuddin Art Gallery is absolutely the appropriate location to accommodate the artworks which will surely attract the target audience.

An immersive experience awaits the visitors at the art exhibition serving as an entertainment location where the vibrant atmosphere could soak in the art enthusiasts into a delightful gathering.

A lasting impression is a gift to all who step through its door to be entertained with a harmonious blend of art that will spark emotions and encourage dialogue.

I will end with a few quotes:

“Art washes away from the soul the dust of everyday life.” by Pablo Picasso

“Art is the only way to run away without leaving home.” by Twyla Tharp

“Art should comfort the disturbed and disturb the comfortable.”  
by Cesar A. Cruz

“Art is not a thing; it is a way.”  
by Marcel Duchamp

Best wishes to the Organizers holding the Art Exhibition.

Chairman

## FOREWORD

It gives me immense pleasure to share my thoughts on this, the third compilation of our students' art works. It is, undoubtedly, a celebration of creativity, imagination, and talent. Our students have poured their hearts and minds into these artworks, expressing their thoughts, emotions, and unique perspectives through colour, form, and texture.

Each piece is an inspiration, each piece sparks the imagination, and each piece reminds us of the beauty of seeing the world more closely.

Congratulations to all our young artists for their remarkable efforts, and my heartfelt thanks to the teachers who have guided and encouraged them. Enjoy this vibrant journey through creativity!

Head of School

# *Artistry Flair*

Art is one of the means to showcase the aesthetic sensibilities of a person. Sunnydale Art Club nurtures and elevates this aspect of students where they get the opportunity to translate their imagination and to engrave with artistry flair on the canvas as a story, a theme, or a prospective of make belief or real life.

The phenomenal success of Sunnydale Art Club will be witnessed in the organization of its third Art Exhibition showcasing the masterpieces of these young budding artists and the escalating number of participants this year.

# Brushstrokes OF BRILLIANCEA

Art is a skill that grows through practice, exploration, and the courage to experiment and evolve. In every stroke, our students learn to paint not just pictures, but life itself. It is a matter of great pride to witness and celebrate the third exhibition of our young artists' splendid works. Once again, they have upheld the high standards of previous showcases with remarkable creativity and dedication.

Each artwork is a true feast for the eyes. I warmly congratulate our gifted young artists—our own young Zainul Abedins—whose breathtaking creations continue to inspire us all.

**Zebunnessa Mahmud**  
Principal  
Junior School and Middle School

We cordially open for you the gallery doors to the 3rd Art Exhibition of Sunnydale. This third installment of the exhibition affirms the continued success of Sunnydale art students and reflects the growing interest in the creative subject of art, with 200 students participating this year. The creative skill in art is indeed a gift and an inspiration-based medium. Sunnydale and its department of Art and Design have remained committed to guiding, nurturing, and inspiring the creative art skill whenever it is found within a student. With youthful dedication and a young view of life, the students of Sunnydale proudly exhibit their artwork in this professional art gallery for your aesthetic enjoyment and also for your inspiration, advice, and blessings. Thank you.
